## THE HEARTBEAT BILL ISN'T DEAD.

## UNLESS FABER & OBHOF KILL IT.

Call them.

**OH Senate President Keith Faber: 614-466-7584**  
**OH President Pro-Tem. Larry Obhof: 614-466-7505**

*Tell them:*

**"You have the power to bring the pro-life Heartbeat Bill to a floor vote. USE IT**

**or we will hold you accountable for KILLING the most protective pro-life bill...and tens of thousands of babies along with it."**

Time is almost up

**No excuses:** By the time the Heartbeat Law reaches the Supreme Court, we will have a **brand new Supreme Court**. The next President will likely replace more than Justice Scalia. In the next term, Justice Ginsburg will be 88, Justice Kennedy: 85, and Justice Breyer: 83.

**There is never a wrong time to do the right thing.**

### Prevent Internet Give-a-way

America is about to lose control of the internet!

Unless Congress acts now, President Obama will hand over oversight of the internet to 162 foreign countries including Russia, China, and Iran to censor our websites and censor our speech.

Think about that, Iran and China, the enemies of freedom, will to have the power to determine which web sites are accepted in America, and

which ones will be blocked. And unless Congress acts, all this will happen *THIS* week--on September 30, 2016.

Call your Representative and Senators and demand passage of the "Protecting Internet Freedom Act" before it's too late at 202-224-3121.

"Don't Let Obama Give Away the Internet," Cruz, *Senate.gov*, August 30, 2016.

**Janet (Folger) Porter** is the President and Founder of [Faith2Action](#), the nation's largest network of pro-family groups. F2A is pro-life, pro-family, and pro-active--to win the cultural war for life, liberty, and the family.

Janet initiated the nation's first Heartbeat Bill (in Ohio, Feb. 2011) to legally protect unborn babies with detectible heartbeats. This effort inspired Arkansas and North Dakota to pass Heartbeat Laws--now the most protective pro-life laws in the nation. Heartbeat Bills are also pending in several other states.

Janet hosts a 60-second daily radio commentary which airs in 200 markets (including the American Family Radio and the Bott radio network), also available at: [www.F2A.org](http://www.F2A.org). Janet is a Board Member for The Oak Initiative.
